NOTIFICATION OF PROCUREMENT OPPORTUNITIES

Note by the Secretaries

Reference: AC/4-D(2025)0007 / BC-D(2025)0126

1. Please find attached the list of official websites used for the notification of procurement opportunities by procurement authorities using NATO common funding. This list was prepared by the International Staff in response to the invitation at reference and compiled based on information received from procurement authorities.
2. Procurement authorities are invited to notify the International Staff of any relevant changes to the information included, in order to facilitate the publication of updated versions, as required. The information should be transmitted to the IC Secretariat, via IS-NOR.Mailbox@HQ.NATO.INT (unclassified network).
3. The International Staff will publish and maintain this list for both NATO internal and external purposes, including for example, in communications to industry.
4. This notice is circulated for information.

Procurement Authority	Official Website(s)
Iceland	https://utbodsvefur.is/ Notes: Procedures: Utbodsvefur.is is a public tenders publicity platform. The website publishes advertisements and/or notices about proposed public purchasing procedures that are subject to laws and regulations on public procurement. This includes public, municipal and utility purchasing procedures when the amount of procurement exceeds national and foreign bid thresholds. On the website, public entities may also advertise purchasing procedures below the threshold to ensure transparency. Contracts: The website www.utbodsvefur.is publishes advertisements and/or notices concerning proposed public purchasing contracts that are subject to laws and regulations on public procurement. This includes public, municipal and utility contracts where the amount of the contracts exceeds national and foreign tender limits. Only public entities can request access and advertise tenders on this website. If the relevant entity (local authority / public authority) does not have access to the website, the Directorate of Finance must be contacted for publication of the tender notice. Advertisements that enter the website www.utbodsvefur.is must be in Icelandic, also in cases where the tender documents are in other languages, in accordance with Act No. 61/2011. Advertisements for tender documents in other languages may also be in those languages on the website. Advertisements must be clear and contain sufficient information to enable people to understand the nature of the contracts that are being tendered. If short hands are used, full text must also be included for clarification.
