

Gender Perspective is not only focused on women, but how **everyone** is affected, **regardless of gender**.

WHAT?

Understanding the **different way** conflict affects women, men, girls and boys.

WHY?

Gender Perspective enhances **situational awareness**

Improves mission success and **military effectiveness**

HOW?

By integrating Gender Perspectives **at all levels**, including in policies, education and training, and tactical activities

GENDER PERSPECTIVE

WHO?

It's **everybody's responsibility** to understand gender perspective in their role and what they do

Gender Perspective is NOT about simply adding more women.
